Possibilities

17 1 2

Chapter 1 by Brock Thompson

In my world, anything is possible.

Chapter 2 by Phantim

Well fucking except me getting a date in this goddamn school. I slam my locker shut spooking some of the nearby fairies that were resting on top of it. Then I had to duck as a spaceship flew through the hallway. Annoying. How was it that everything seemed to be possible here except getting a date to the school dance. At this point I would really just settle for ditching the dance and getting a blowjob in the bathroom. Man, my standards are really slipping. There was still a few girls left for me to ask... yeah, I still had possibilities.
